

**TABLE 6A. Primary Services of the Industries, by Geographic Areas: 1963 and 1958**

(In general, contractors prepared one report for all oil and gas field services performed in the United States. These reports were classified on the basis of the principal State in which the service was performed)

Separate data were contained in these reports for the various kinds of work performed)

Type of service and geographic area	Receipts for services (\$1,000)		Type of service and geographic area	Receipts for services (\$1,000)	
	1963	1958		1963	1958
